[SCM Group North America](#) (Duluth, GA) has announced their decision not to attend the 2010 IWF tradeshow in Atlanta. SCM Group has attended this event since its inception.

As SCM Group regrets having to take these measures, this decision is made with the future of SCM Group and their customers in mind. The allocated savings will be used in a productive manner by increasing quality in the parts, service and technical support departments. SCM Group North America will also remodel and expand their current 7,200 sq/ft showroom to 11,000 sq/ft, in order to accommodate more specialized demonstrations and events.

SCM Group will continue to attend a number of industry events including AWI, WIC, and Technodomus in Italy. SCM Group will also host a number of events at dealer/ distributor facilities across the country, as well as SCM Group headquarters in Duluth, GA.
